

Respected Sir/Ma'am,(Head of Psychology department)

I Ms. Ashraf Himani have M.A in Clinical Psychology & 1year diploma in Therapeutic Counseling, I also have done a course in REBT & CBT. I wish to apply for position of psychologist in your prestige organization.

The practical & experiential learning in mental health care at my internships, previous jobs at NGOs & as a yoga trainer has helped strengthen my knowledge & skills. I have been able to help patients at the best of my ability & intend to continue doing so & make a positive difference in lives of people in need.

I am keen & eager to apply my learning experience & skills to help patients deal with mental health issues.I am hardworking, dedicated, passionate, empathetic, compassionate & active listener, quick learner, open to feedback & have zest to improve myself.

PFA resume along with this application.

Looking forward to a positive reply,

Thank you,

Regards

Ms.Ashraf Himani.
